Dear S. J. Peters:

Your order for PHOTOGRAPHIC WHITEWASH arrived this morning.

According to the order form, a remittance of $5.25 was enclosed. However, no payment accompanied the order.

The envelope in which it arrived is returned herewith so that you may satisfy yourself that it was never sealed, which may be an indication that your check was lost in transit.

The book is sent you herewith and we would appreciate your forwarding payment upon its receipt.

Sincerely,

Harold Weisberg
